

What is a Unified Invitational?

A Unified Invitational is a one-time Unified event hosted by your school. It can feature a sport that is or is not currently offered by Special Olympics Kansas but is of interest to your students. As the host, you have the opportunity to invite other schools from the surrounding area to participate, creating an inclusive and competitive experience for students with and without disabilities.

School Expectations:

This is an event that is being put on by you and your school! Special Olympics Kansas can help assist but the following tasks will be the schools responsibility:

- Schedule competition date
- Reach out to schools
- Find volunteers

What SOKS can assist with:

- Medals
- Equipment
- Rules
- School Liasion contact lists
